April's Ultimate in Photography at the Triple "D"
April 8-12, 2022

An Exciting Five-Day Photo Event, Featuring the Triple D's Ultimate Wildlife!

Come to the Triple "D" Ranch for 5 days of Ultimate Wildlife Photography. The Triple "D" staff has chosen the month of April 2022 to feature "Ultimate in Photography". This event is only offered once a year and is the event many wildlife photographers choose. The Triple "D" would like to extend a thank you to all our loyal customers by reducing the price for this event and offering the same selection of animals as offered with other monthly events. The cost for April's "Ultimate in Photography" is \$750. New participants are also welcome.

Pick the species of your choice and photograph with a small group at significantly discounted rates. A minimum selection of 6 photo sessions is required. An organizational meeting is scheduled for April 8th in the Triple "D" Conference Room for all participants attending April's "Ultimate in Photography" for 2022. After all participants have made their final selection of sessions, a filming schedule will be prepared, consolidating all requests. Participants can select additional sessions during this event.

Most photography sessions will include 3-5 participants with a maximum of 12. April 12th will be saved in the event of inclement weather. If that date is not utilized for make-up sessions, it will be available for participants to continue photographing any species in our selection list for a discounted rate of \$150 per species/per participant. **Participants are strongly urged to attend the entire five-day event.**
