October 13-17, 2022, An Exciting Five-Day Photo Event

Birds of Prey: October 11, 2022 Horse Round-Up: October 11-12, 2022

Come **“Cat around with us”** beginning on **THURSDAY THE 13<sup>th</sup>** at the Triple “D” Ranch for 5 days of spectacular wildlife photography.

The Triple “D” staff has chosen the month of October to feature **“The Fall Harvest Photography”**. This is the seventh year for this event and Triple “D” would like to extend a thank you to all of our loyal customers by reducing the price for this event and offering the same selection of animals as offered with all other monthly specials. New participants are also welcome.

Pick the species of your choice and photograph with a small group at significantly discounted rates. Choose a minimum of 6 photo sessions @ \$150 per photo session for a total of \$900. It’s a **SCREAMING GOOD DEAL!** Compare this price against our normal daily rate range of \$1,600 to \$2000 for six sessions.

An organizational meeting is scheduled **October 13<sup>th</sup>** in the Triple “D” Conference Room for all participants attending the Fall Harvest Photography. After all participants have made their final selection of sessions, a filming schedule will be prepared, consolidating all requests. Most photography sessions will include 3-5 participants with a maximum of 12. Participants should plan on attending the entire Fall Harvest Event. Participants will have an opportunity to select additional sessions. Pick any species in this brochure and the Triple “D” will exhibit the animal(s) for you.

**Please note the listing below is a tentative plan of suggested wildlife photo sessions for the “Fall Harvest Photography”. Animals will be exhibited in natural settings that include the following habitat types: pond, willow, cottonwood, spruce- fir, rocky granite, aspen and more.**
