December 1-5, 2023

An Exciting Five-Day Photo Event, Featuring Triple D's Best in Winter Conditions!

© Scott Younggren

Come to the Triple "D" Ranch for 5 days of spectacular wildlife photography, featuring adult and young species running, stalking, and posing in winter conditions. All species will have their thick winter fur. Pick the species of your choice and photograph with a small group at significantly discounted **"Holiday Special"** rates. **A minimum selection of 6 photo sessions required.**

An organizational meeting is scheduled for **December 1st** in the Triple "D" Conference Room for all participants attending the **"Holiday Special"**. After all participants have made their final selection of species a filming schedule will be prepared, fulfilling all requests. All additional sessions are offered at \$175 per session/per participant. All participants are encouraged to attend the entire five-day event.

Most film sessions will include 3-5 participants with a maximum of 12. Participants will have an opportunity to select additional sessions. Pick any species listed in this brochure and the Triple "D" will exhibit the animal(s) for you. Listed below are the tentative filming sessions planned for the **"Holiday Special"**. Animals will be exhibited in natural settings that include the following habitat types: pond, willow, cottonwood, spruce-fir, rocky granite, aspen, and more. Snow is very possible this time of year.
