July 7-11

Five-Day Wildlife Photography Event Featuring Triple D's Baby Animals & Adults with Babies

©Mark Laverman

Come to Triple “D” Ranch for an extended weekend of spectacular wildlife photography. Pick the species of your choice and photograph with a small group at significantly discounted rates. Most photo sessions will include 3–5 participants with a maximum of 12. A minimum selection of six photo sessions is required to participate in the July Photo Event.

Animals will be featured in natural settings that include the following habitat types: pond, willow, cottonwood, spruce-fir, rocky granite, aspen, creek, ridge top and more. **Participants should plan on attending the entire five-day event.** Pick your species and locations and the Triple “D” will provide the animals for you! An organizational meeting is scheduled for July 7th, 2023, in the Triple “D” Conference Room for all participants attending the July Photo Event. After all participants have made their final selection of sessions, a filming schedule will be prepared, consolidating all requests. Additional sessions will be offered and announced at the time of the Event.
