

March "Cabin Fever" Photo Event 2023

An Exciting Five-Day Photo Event Featuring Triple D's Best!

March 11-15, 2023

Come to Triple "D" Ranch for 5 days of spectacular Wildlife Photography. Pick the species of your choice and photograph with a small group at significantly discounted rates. A minimum selection of 6 species is required. **Some species require a minimum number of participants.** The cost is \$900.

An organizational meeting is scheduled for **March 11th** in the Triple "D" Conference Room for all participants attending the "Cabin Fever" Event. After all participants have made their final selection of species, a filming schedule will be prepared consolidating all requests. Additional sessions may be offered and will be announced during the event. **Participants are strongly urged to attend the entire five-day event.**

Most sessions will include 3 to 5 photographers with a maximum of 12 participants. If March 15th is not needed as a makeup day for inclement weather conditions, additional sessions will be offered at a reduced rate of \$175 per participant/ per session. Pick your species and location and Triple "D" will provide the animal for you!

FREE OPTIONAL SESSION

Photographers requesting a minimum of 6 wildlife sessions during this five-day event can attend one additional scheduled session at no cost.

Animals will be exhibited in natural settings that include the following habitat types: pond, willow, cottonwood, spruce-fir, rocky granite, aspen, and more. Snow is very possible at our filming locations during the first part of March.
