"Horse Round-Up" September 20-21, 2023

Come to the Triple "D" Ranch for an extended weekend of spectacular wildlife photography. Pick the species of your choice and photograph with a small group at significantly discounted rates. An organizational meeting is scheduled for **September 15th** in the Triple "D" Conference Room for all photographers participating in this *SPECTACULAR* Event. After all participants have made their final selection of species, a filming schedule will be prepared. Participants can select additional species during this event. Most filming sessions will include 3-5 photographers (maximum of 12). If a make-up day is not needed for inclement weather or to fulfill all requests, there will be additional sessions available for a reduced rate of \$175 per session/per participant. All participants are urged to attend the entire event. Pick any available species in this brochure and the Triple "D" will exhibit the animal(s) for you. Animals will be presented in natural settings that include the following habitat types: pond, willow, cottonwood, aspen and birch groves, spruce-fir forests, rocky ridges, and more.

Thank You, Bill Morgan
