

February's Fantastic Foto's

February 3-7, 2024, ~ Wildlife Photography

Come to the Triple "D" Ranch for an extended weekend of spectacular wildlife photography in winter conditions, with an opportunity to join the Triple "D" to photograph the species of your choice and photograph with a small group at a significantly discounted rate. A minimum selection of 6 species is required.

An organizational meeting is scheduled for **February 3rd** in the Triple "D" Conference Room for all photographers participating in the February Event. After all participants have made their final selection of species, a filming schedule will be prepared, consolidating all requests. Additional sessions will be offered at a reduced rate of \$175 per/session per/participant.

Most wildlife filming sessions will include 3 – 5 photographers with a maximum of 12 participants. **February 7th** is reserved in the event of inclement weather for make-up sessions. If this filming day is not utilized for make-up sessions it would be available for participants to continue photographing optional sessions. Pick your species and location and the Triple "D" will provide the animal for you! Large primary species require a minimum number of participants. **Participants should plan on attending the entire five-day event.**

Visit our website, www.tripledwildlife.com for updates and changes.
